JIB Students volunteering at an IDF base

Insights from Abroad

• In May, the Los Angeles Group for the Blind of Israel held its annual Sunday brunch and raffle. Through the efforts of its President, Mrs. Jeannette Cameron Nadell, many of her friends and family members attended, helping make the gala event a huge success.

Organized 42 years ago in Los Angeles, the Group for the Blind continues to function in the footsteps of their parents and grandparents, raising funds for our Institute under the energetic leadership of Jeannette. May the L.A. Group for the Blind of Israel go from strength to strength.

• The Finnish Friends of the JIB had a successful bazaar and they were surprised to see all the blue and white Chanukah candles immediately snapped up. As Finnish Independence Day coincides with Chanukah, the blue and white candles, similar to the national colors, were a popular item.
