## Insights from Abroad

\*We are honored by the presence of so many visitors from abroad that came specifically to Israel to help us celebrate our 100th anniversary this year. Our contingent from France included Myriam Nathan and Franck and Michele Douieb and Family. Making a special trip from Uruguay were Liliana Gutman and Sergio Hochman, members of Tornei Or, Montevideo. Visiting from London was Ronnie Khan, Chairman of our Institute's British Aid Committee and Han Schenk from Holland, who is official photographer for the Royal Dutch Family of Holland.

\*Cards and best wishes from all over the world flooded the Institute on the happy occasion of our 100th anniversary. We also received greetings from the Chief Rabbis of Denmark and South Africa. Rabbis of Rome and Denmark also contacted us to wish us well.
